Computer Applications in Business

Programme: B.Com.(Hons.) Branch/Specialisation: Commerce / Management /BBA

Maximum Marks: 60 Duration: 3 Hrs.

Note: All questions are compulsory. Internal choices, if any, are indicated. Answers of ne

_		•	ta i		
i.	Which type of computer can	handle analog as well as digital data?	1		
	(a) Digital	(b) Analog			
	(c) Hybrid	(d) All of these			
ii.	The main function of the cor	nmand interpreter is-	1		
	(a) To get and execute the next user-specified command				
	(b) To provide the interface between the api and application program				
	(c) To handle the files in operating system				
	(d) None of these				
iii.	Verification of a login name and password is known as-				
	(a) Configuration	(b) Authentication			
	(c) Accessibility	(d) Logging in			
iv.	What is the length of the IPv4 address?				
	(a) 8 bits (b) 16 bits	(c) 32 bits (d) 128 bits			
v.	Which of the following key	board shortcut is used to select the text in	1		
	the direction of the arrow key?				
	(a) Ctrl + Arrow	(b) Shift + Arrow			
	(c) Ctrl + Shift				
vi.	Which option is correct to save the document in MS Word?				
	(a) Save				
	(c) Ctrl + S	(d) All of these			
vii.	Which of the following is not a part of a spreadsheet?				
	(a) Row number	(b) Column number			
	(c) Column letter	(d) Cell address			
	i. ii. iv. v.	i. Which type of computer can (a) Digital (c) Hybrid ii. The main function of the cor (a) To get and execute the no (b) To provide the interface (c) To handle the files in ope (d) None of these iii. Verification of a login name (a) Configuration (c) Accessibility iv. What is the length of the IPv (a) 8 bits (b) 16 bits v. Which of the following key the direction of the arrow key (a) Ctrl + Arrow (c) Ctrl + Shift vi. Which option is correct to sa (a) Save (c) Ctrl + S vii. Which of the following is no (a) Row number	(a) Digital (b) Analog (c) Hybrid (d) All of these ii. The main function of the command interpreter is- (a) To get and execute the next user-specified command (b) To provide the interface between the api and application program (c) To handle the files in operating system (d) None of these iii. Verification of a login name and password is known as- (a) Configuration (b) Authentication (c) Accessibility (d) Logging in iv. What is the length of the IPv4 address? 	viii.	The process of arranging the items of a column in some sequence or 1 order is known as-				
		(a) Arranging (b) Sorting (c) Autofill (d) Filtering				
	ix.	Which PowerPoint view displays each slide of the presentation as a	1			
	121.	thumbnail and is useful for rearranging slides?				
		(a) Slide master (b) Slide show				
		(c) Slide sorter (d) Notes page				
	х.	A new presentation can be created from-	1			
	Α.	(a) Blank presentation (b) From existing presentation	_			
		(c) From design template (d) All of these				
		(c) from design template (d) fin of these				
Q.2	i.	What is software? Write different types of system software's. 2				
	ii.	Explain characteristics of computer.				
	iii.	Difference between compiler and interpreter.	5			
OR	iv.	Explain the fundamental difference between interactive, batch and real	5			
		time systems.				
Q.3	i.	Define WWW.	2			
Q.5	ii.	What do you mean by internet protocol? What is the function of				
	11.	TCP/IP on internet?	Ü			
OR	iii.	What is internet? Explain the technological foundation of internet.	8			
Q.4	i.	Differentiate between page break and section break.	3			
	ii.	What is word processor? List any four advantages of word processing 7				
		software.				
OR	iii.	Explain the process of applying bullets to some paragraphs in a	7			
		document.				
Q.5	i.	What is electronic spreadsheet? How many ways are there for adding a	4			
		new worksheet in an excel workbook?				
	ii.	Write down the name and purpose of various components of a chart.	6			
OR	iii.		6			
		examples.				
		(a) SUM function				
		(b) Average function				
		(c) COUNT function				
		(d) COUNTA function				
		(e) MAX function

Scheme of Marking

Faculty of Management Studies End Sem Examination Dec-2023

CM3SE05 Computer Applications in Business

Programme: B.Com. Branch/Specialisation:

Note: The Paper Setter should provide the answer wise splitting of the marks in the scheme below.

the ser	iiciiic k	Action.			
Q.1	i)	Which type of computer can handle analog as well as digital data?	1		
		c) Hybrid			
	ii)	The main function of the command interpreter is	1		
		a) to get and execute the next user-specified command			
	iii)	Verification of a login name and password is known as:	1		
		b) authentication			
	iv)	What is the length of the IPv4 address?	1		
		c) 32 bits			
	v)	Which of the following keyboard shortcut is used to select the text	1		
		in the direction of the arrow key?			
		b) Shift + Arrow			
	vi)	Which option is correct to save the document in MS Word?	1		
		d) All of the above			
	vii)	Which of the following is not a part of a spreadsheet?			
		b) column number	1		
	viii)				
		or order is known as:			
		b) Sorting	1		
	ix)	1 7			
		a thumbnail and is useful for rearranging slides?			
		c) Slide Sorter			
	x)	A new presentation can be created from	1		
		d) All of above			
0.2	i.	What is software. 1 mark	2		
Q.2	1.		4		
		Different types of system software's 1 mark	_		
	ii.	Characteristics of computer. 3 mark	3		
	iii.	Difference between compiler and interpreter. 1 mark each	5		
OR	iv.	Explain the fundamental difference between interactive, batch and	5		
		real time systems. 1 mark each			
		•			

Q.3	i. ii.	Define WWW. What do you mean by Internet Protocol? What is the function of TCP/IP on internet? Diagram TCP/IP protocol suite	2 Mark 2 Marks 4 Marks 2 marks	2 8
OR	iii.	What is Internet? Explain the technological foundation of Internet.	2 marks 6 marks	8
Q.4	Q.4 i. Differentiate between Page Break and Section Break? 1 m			3
	ii.	What is word processor? List any four advantages of word processing softwar	3 marks	7
OR	iii.	Explain the process of applying bullets to some process document. 7 marks	aragraphs in a	7
Q.5	i.	What is Electronic Spreadsheet? How many ways are there for adding a new workshowk?	1 mark eet in an Excel 3 marks	4
	ii.	Write down the name of various components	2 marks	6
OR	Purpose of various components of a chart. 4 marks iii. Explain the following functions used in a worksheet with the he of examples		t with the help	6
		a) SUM function	1 mark	
		b) Average functionc) COUNT function	2 marks 1 mark	
		d) COUNTA function	1 mark	
		e) MAX function	1 mark	
Q.6		Attempt any two:		
	i.	How to make a Frequency distribution table? Explain with the help of example.	3 marks 2 marks	5
	ii.	The runs for and odd number of terms = 50		5
	iii.	What is PowerPoint? 2 mark Why is it used? How can you create a new presentat		5
